Issue 19: November 2017

So they're up in flames now ... The

finale of the scarecrows! It was a great bonfire with a brilliant display of fireworks. The weather was mild and dry. People came in their hundreds, which exceeded all expectations! So, of course we did run out of everything. We'd know better for another time.

Thank you to everyone who came and thank you to all the helpers. Take a look at the [photos](#).
