Issue 13: April 2017

**Table tennis table:** Most of you are probably aware of the new table tennis table that was installed at the beginning of the month at the recreation ground. It is there for everyone to enjoy. Bats and ping pongs can be found in the sports box nearby. Already some of the bats have been damaged and ping pongs have gone missing. Please can you ensure that you return any items back in the sports box for the next person to enjoy. There are only so many bats that can be replaced and then it will be down to individuals to take one along.
