
The following issues have resulted in the annual return being qualified. They indicate either a breach of proper practices or legislation and they require the smaller authority to take immediate action to rectify these issues.

Fixed Assets

What is the issue?

The smaller authority has not included all additions or replacements of fixed assets, in the year in box 9 of Section 2 of the Annual Return

Why has this issue been raised?

The value of fixed assets included in the Annual Return appears to be under valued.

What do we recommend you do?

The smaller authority must ensure that the value of its fixed assets is correctly stated in Section 2 of the Annual Return. The value of all fixed assets must be recorded in the fixed assets register. Assets may comprise of land, buildings, plant and equipment, vehicles, notice boards, street furniture etc, property that will be of economic benefit to the meeting over a period substantially longer than one financial year.

The smaller authority must ensure that the register of assets is updated to record all additions and disposals of assets on an annual basis.
