Issue 21: March 2018

Welborne ... A new

garden village. After several years of planning, land purchase, negotiations and scrutiny, it appears that many of the hurdles have been overcome for development of a new [Garden Village](#). Funding has been secured to improve infrastructure, which will include improvements to J10 of the M27, a possible railway station, health centre, schools, etc. A decision on the planning application is due by 30 April. Droxford Parish Council is aware that this will inevitably impact on traffic and visitors through the village.

Need to know

Community
